

For Immediate Release

Explorers to Distribute Animal Control Law Information

The Yucaipa Sheriff's Department is working in conjunction with the San Bernardino County Animal Control Department to distribute informational flyers to residents warning of random patrols for dogs at large. Explorers from the Yucaipa Station will be going door-to-door in June to hand out information pertaining to leash laws, vaccination requirements and licensing mandates, along with fine penalties for violations. The Explorers will be in their uniforms when approaching residents and will only be distributing the tri-folds, which will contain contact information for further inquiries.

The flyers will have information in both English and Spanish
