

**VISIONQUEST  
ART IN CITY HALL PROGRAM  
ARTIST APPLICATION**

Thank you for your interest in the City of Yucaipa's "Art in City Hall Program". All exhibits are welcome, but final selections are at the discretion of the VisionQuest Board of Directors. All interested artists must complete and submit this Artist Application to VisionQuest Art Gallery (address below) to be considered for display. If approved, the artist shall make arrangements with a VisionQuest Board Member for delivery/and pick up of the work. If chosen, your art work will be displayed at designated locations inside the Yucaipa City Hall for 3 months. Being denied an exhibition slot may not necessarily reflect on the quality of the work and artists are encouraged to apply more than once. Price tags are not permitted; however, a short artist's bio will be displayed adjacent to the art, and a prospective buyer could contact VisionQuest for sale information. VisionQuest will provide the City of Yucaipa with insurance and endorsements to cover the art work displayed. Please note that the City Manager reserves the right to cancel the exhibition, or any part of the exhibition, at any time, with or without a statement of reasons. Submit application to:

VisionQuest Art Gallery  
P.O. Box 1231  
Yucaipa, CA 92399  
909-790-7377

Application Date: \_\_\_\_\_ Artist's Name: \_\_\_\_\_
