The City of Yucaipa's Community Emergency Response Team (CERT) training program will prepare you to help yourself, your family, and your neighbors in the event of a disaster. During a major incident, emergency response personnel will not be able to reach everyone, immediately. Make a difference in your community and learn the skills that will help emergency responders save lives and protect property. The 20 hour course will be held at the Yucaipa Community Center Banquet Room on March 9th, 10th, and 11th. Register online at [Eventbrite.com](https://www.eventbrite.com) or by calling Kim Everts at 909/797-2489 ext. 221.
