

**Free! Fun Family Event!**  
**Saturday, April 27, 2019**

The City of Yucaipa is sponsoring a free  
***Community Pickleball Day***  
for all families in Yucaipa and Calimesa!

**Come! Learn to Play!**

Pickleball is like playing ping pong without the table. It's played with a paddle and a whiffle ball. Bring the entire family to 7<sup>th</sup> Street Park for a chance to learn this game. There will be free instruction for all family members ages 7 and up; including grandma and grandpa. **IT IS EASY TO LEARN!**

There will be free refreshments, paddles to borrow, and free introductory lessons. Families can play together. Wear tennis shoes and bring a lawn chair. We will play outside under the large cover on the corner of Avenue E and 7<sup>th</sup> Street.

Registration for free instruction begins at 9:00 AM in first-come-first-play order. There will be free Starbucks coffee and light breakfast fare available while you watch the game being played by members of the Yucaipa Pickleball Club.

A short program will begin at 10:00 AM. Our San Bernardino County Board of Supervisors Third District Supervisor, Dawn Rowe will be in attendance for you to meet and greet, as will the Mayor of Yucaipa, Bobby Duncan, and various City Council members and School Board members.

**Plan to spend the day with us and learn about the sport  
that is sweeping the nation! 9:00 – 3:00 April 27<sup>th</sup>!**
