Yucaipa City Manager Ray Casey Departs

Following almost twenty years of dedicated service to the City of Yucaipa, first as the Director of Public Works for 5 years, and then the City Manager for 14 ½ years, City Manager Raymond A. Casey and the City of Yucaipa are jointly announcing his retirement.

“We truly appreciate and recognize the significant contributions of Mr. Casey during his service to Yucaipa,” said Mayor Justin Beaver. “Over the past almost twenty years Ray worked with a number of City Councils to make tremendous progress toward evolving our community, continually improving quality of life for our residents while enhancing Public Safety.”

“I’m very proud of what we have accomplished working together with our many partners in the City of Yucaipa and I know that I’m leaving Yucaipa and the organization financially secure,” said Casey. “I’ve deeply enjoyed working here and I will miss the friends I have made both inside City Hall and in our Community.”

Among the City Manager’s accomplishments cited by Mayor Beaver, are the development of seasoned professionals in multiple key positions; renewing strong partnerships with the Yucaipa business and education communities; overseeing numerous critical infrastructure and facility improvement projects; addressing long-term budget cycles and capital improvements programs; and at the state level focusing on regional changes that will benefit Yucaipa and San Bernardino as a whole.
