Subject: Objection to Chris Mann, City Manager and ousting of Ray Casey
Date: Monday, January 23, 2023 2:53:01 PM

Dear Yucaipa City Representative:

This is to let you know that my husband and I object strongly to the recent ousting Ray Casey. We have found him to be for the residents of Yucaipa.

And of great concern is to have Chris Mann as our manager with what we understand has happened in other cities under his leadership.

Please listen to the voices of Yucaipa residents. You represent us and work for us. Thank you.

Sincerely,

Greg and Irmgart Mitchell
