Good Afternoon,

I oppose approving the Serrano Estates Planned Development Project for all the reasons that have been stated multiple times by my North Bench neighbors in the many city council meetings and at the planning committee meeting regarding this project.

We live on 4.5 acres and love the rural feeling of the north bench. We have invested a lot of money into our home and feel that this development will negatively impact our quality of life and our investment in our property.

Please enter my email into the "record".

Thank you.

Sincerely,

Joni Rawson
