Mr. Mayor,

Thank you for the information on the Yucaipa Pointe property. As you mentioned, it has been the topic of many conversations, especially on social media. I am especially happy to hear that Kaiser will be opening a medical office in the location.

I do feel the need to point out to you, that not all of your constituents are conservatives, or were against lock downs or vaccine mandates. It probably would have been best to refrain from the politics and just provide the information.

Please remember that as an elected representative, the City's Code of Conduct outlines *the constant and consistent theme is "respect"*. That "respect" should be to all people of this city and that includes the people who don't share your personal opinions.

Sincerely,

Tammy Cornwell
