TEMPORARY POLITICAL SIGN PERMIT APPLICATION

A temporary political sign is defined as any temporary sign that indicates any one or a combination of the following:

1. The name and/or picture of an individual seeking election or appointment to a public office; or
2. Relates to a forthcoming public election, initiative, or referendum
 - (a) Temporary Primary Signs

The Development Code makes several general provisions with which each candidate must comply:

- (I) Such political signs shall not be posted more than 45 days before an election. All such signs shall be removed within seven days after the same election.
 - (II) Such political signs shall have a maximum area of eight square feet in residential land use districts and 32 square feet in all other land use districts, unless such sign is an accessory (e.g., campaign headquarters) or primary sign permitted by this chapter. Such political signs posted on private property must have the property owner's permission. Signs posted on vacant property must have written consent of the property owner.
 - (III) Such political signs shall not be erected within any street, intersection, clear sight triangle, or at any location where the sign may interfere with, obstruct the view of, or be confused with any authorized traffic sign.
 - (IV) Such political signs shall not be nailed or affixed to any tree, fence post, or public utility pole and shall not be located in the public right-of-way, parkway, or on publicly-leased property.
 - (V) Such political signs which have an adhesive backing shall not be affixed directly to any structure, and shall be affixed in such a manner that such signs are easily removed.
 - (VI) Such political signs require a temporary political sign permit prior to the placement of temporary political advertising signs. Said permit shall be issued at no cost to the applicant, and it shall list the requirements of this section. It shall be issued to the applicant upon their signatures indicating their agreement to be bound by the provisions of this ordinance.
3. If at any time a sign is deemed in violation of the City Code, the sign shall be removed and the permit holder may be assessed a minimum fine of twenty dollars (\$20.00) in addition to the following:
