RE: Yucaipa 2021-2029 Final Housing Element

Dear Melinda Coy:

The City of Yucaipa is pleased to submit the official final and adopted Housing Element for the 6th Housing Cycle for Department of Housing and Community Development’s review and certification. Staff appreciates all the meetings and discussions we have had with you and others from HCD to help address the comments received on prior drafts. The attached version reflects the City Council’s approval from their September 12th regular meeting, and based on your request, has been modified to remove the “track changes” formatting that was previously shown on September 8, 2022, draft submittal to HCD. In addition, the final version includes the clarifying statement that was requested for Program 30.

The City is eager to begin its implementation, and our staff has already begun developing a roadmap and internal milestone timeline to meet the Housing Element’s goals. If you have any questions, please feel free to contact me at (909) 797-2489 x261 or via email at bmattlock@yucaipa.org – As you know, I am always happy to talk about housing and our community.

Thank you,

Benjamin J. Matlock
Planning Manager/City Planner
